

2022 Summer Learning Challenge Preschool Program

Read books. Earn points. Win prizes!

Challenge Dates: May 16th - August 24th, 2022

Overview

This program is recommended for children developmentally aged 0-5 years old.

Registering

Stop in to any CCPL branch and pick up your reader's registration packet. Fill out the attached registration slip and return to library staff. Don't forget to get their free t-shirt! But be sure to hurry, t-shirts are only available while supplies last.

Please, only 1 registration per child.

Earning Points

For every 10 minutes your reader is reading, or is being read to, they earn 1pt. A total of 50pts can be earned.

Logging Points

You or your reader can track points on the Reading Log. If the Reading Log gets lost or damaged, just stop by a branch for a replacement copy.

Complete the Challenge

Your reader has completed the challenge when they have read for 500 minutes and colored in all of the birthday icons on their Reading Log. Fill out the Completion Slip at the bottom of the Reading Log and drop it off at your local branch. Readers who complete the Summer Learning Challenge will receive a Certificate of Achievement, a trophy, and will be entered into the Grand Prize Drawing. Completion Slips must be received by 8pm on Wednesday, August 24th to be eligible for drawings.

Prizes

Winners will be contacted by the information provided on the Registration or Completion Slips. Please be sure to provide a valid email address and/or phone number.

Registration Drawings: Each week, 1 reader will be randomly chosen to win a prize from all registrants who have registered up to that point.

Completion Prizes: At the end of the challenge, 4 readers from each branch will be randomly selected, with 1 Grand Prize winner and 3 Completion Prize winners chosen.

2022 Summer Learning Challenge
