

FY2022 Annual Report

Charles County Public Library

From a single room located in the La Plata County Jail and a collection of just 3,000 books in 1922, to five branches and a collection over 113 times larger in 2022, CCPL has continuously grown to meet the needs of our community and connect our visitors to endless possibilities.

In 2022, we celebrated our 100th Anniversary, with birthday parties, special events, reading challenges, a limited-edition library card, and commemorated the 10th Anniversary of the Waldorf West Branch.

We are incredibly proud of the hard work that has been accomplished over the last 100 years and are excited to see what the next 100 years has in store!
