The Charles County Public Library Annual Adopt-a-Book program is a wonderful way for the community to help shape the library’s collections. By adopting a book, you allow us to make meaningful and important works available on our shelves, while also recognizing a loved one or your favorite literary work.

End-of-Year Giving
Looking to make an end-of-year donation this year? Keep the library in mind! We are hard at work to keep bringing our community more resources, programs and updated technology, and with your help, we can work together to make it happen!

#GivingTuesday
Giving Tuesday is a global day of giving fueled by the power of social media and collaboration. Celebrated on the Tuesday following Thanksgiving and the widely recognized shopping events Black Friday and Cyber Monday, Giving Tuesday kicks off the charitable season, when many focus on their holiday and end-of-year giving.

Call for the most up-to-date program information.

This month’s CCPL Program Guide celebrates Native American Heritage Month. Throughout this issue and on our cover, we wanted to recognize artists, authors, activists, advocates and more from the Native American community.
